PREPARING STUDENTS
FOR LIFE

Preparing Students for Life

Your child will receive an incomparable education that will help them go far at **Hays-Porter School**.

For the 2021-22 school year, we will be back and stronger than ever with in-person learning five days a week and established safety protocols. Here, your child will:

- Gain confidence in cutting-edge fields – like robotics and coding – in our High Technology program, where they'll participate in hands-on activities and the creation of real products in our "makerspace" lab.
- Receive a device to take home (iPads for grades K-1 and laptops for grades 2-6).
- Receive free breakfast and lunch.
- Have the opportunity to attend our after-school program facilitated by FamiliesFORWARD, with activities ranging from technology projects to ballroom dancing and mural-painting.

Hays-Porter School serves grades Preschool-6 in Cincinnati's West End neighborhood.
